About me

Diploma CSE student with a strong interest in technology and programming .Skilled in C and Python ,with hand -on experience in building projects.Passionate about leaning new technologies and enhancing problem sloving.

Professional Skills

- Basic knowledge of C programming and Python
- Basic Database Management (MySQL)
- Familiar with MS Excel, PowerPoint, and Word
- Knowledge of GItHub and version control basic

Technical Skills

- Programming : C(Advance),Python (Basic)
- Web Technologies
- Design Tools: Canva ,Adobe Photoshop(Basic Graphic Designing)
- Skilled in SQL with hands-on experience in query writing, joins, and data handling

Education

- Pursuing Diploma in Computer Science
  RGPV UNIVERSITY BHOPAL
- Complete Class 12t (Maths stream
  IDEAL ACADEMY SCHOOL
- Cyber Security - Udemy
- Data Scientist -Udemy

Certifications

- The Cybersecurity Threat Landscape
  Linkedin learning *Certificate Link*
- Cyber Security Foundations:
  Linedin learning *Certificate Link*
- Cybersecurity with Cloud Computing
  Linkedin learning *Certificate Link*
- Learning Data Analytics :1 Foundation
  Linedin learning *Certificate Link*

Projects

- Student Record System
- Calculator using C language
- Tic-Tac-Toe Game using c language
- Student management system
- Collage Website

Achivements

- Designed a simple website /portfolio using HTML,CSS
  - *Portfolio Link*
- Contributed small code projects on GitHub
  - *Github link*
- Built a database project using MySQL

Soft skill

- Leadership
- Time Management
- Teamwork
- Problem Solving
- Inovation

Carrier objective

- Passionate software learner with a strong interest in technology
- Hands-on experience in C, Python, and SQL
- Good understanding of logical problem solving
- Experience in building database-driven solutions
- Eager to learn new technologies and improve coding skills
